WHO WE ARE

We are India's Biggest E-Learning Platform

SB academy is India's biggest E-Learning platform specialised in providing a Hi-tech course for the different government exams. SB academy was the first to introduce the concept of offline coaching through its Pendrive courses which was very innovative step towards the E-learning education and now it has become very popular and huge in demand among the students preparing for the different government exams. More than 2 lakh students have been associated with a different course of SB academy and have been successfully placed in the different job position in the government sector.

WHY US?

Exchanging Notes no more a Hassle

We are the one who introduced the concept of Pendrive coaching so that you can prepare for Government job exam at the ease of your home comfort by watching our video made by the top-notch faculties of India, you can learn at any time and from anywhere without wasting your precious time. We made the exam preparation easier with our courses and changed the concept of learning to E-learning.

- Tough made easy
- Switch to smart
- Revolutionary learning Initiative
